

Hidden Treasure Being Released

Doug Addison [Episode 175]

April 7, 2021

Hey friends, Doug Addison here! Welcome to *Spirit Connection* podcast. April 7th, 2021.

And it's one of the most power-packed months I've seen in a very, very long time. I've released just last week one of the most strategic prophetic words that I've had in a very, very long time. It's how to align you to the next 49 days. And so in this episode, I'm going to spend some time going a little bit deeper into this. I'll recap the latest prophetic word about the 49 days, it's [episode number 174 of Spirit Connection](#) last week where I recap the whole thing. I pull together two months of prophetic words and my encounters I had in the Courts of Heaven during Passover. The Lord spoke these words to save. And it's been a powerful, powerful time.

So specifically in this episode, I wanna talk about the hidden treasures and the pearls of great price because we're entering into a season of both revelation (that's the hidden treasures) and the pearls of great price. And some pruning, you know, and some things to go through. But that's what's gonna balance this out. Some people are now like, "I can't take another time [for] healing." But this is different than you've ever seen.

So Lord we pray, open the heavens right now over this message, over this podcast. Go out through the airways right now. Take authority over the things that have been overcoming people. I saw the Lord moving quickly. Some people have been struggling with things. And the Lord said, "I'm gonna shift things over

you.” In some cases, you’re gonna see a 24-hour turnaround. Other cases, you need to walk some things out. But I saw things happening like that. And so we ask now that You’d open it up, in Jesus’ name. Amen!

Well this week, I wanna dive into the deep end and go through ... There is a prayer to remind you. If you haven’t gone through this, [Episode 174 of Spirit Connection](#) last week. Go through the prayer. Of course, listen to the whole thing if you haven’t listened to it. But there’s a prayer at the end to break off any of the blocks of hearing God, specifically during this season. And because we are entering into the ... We are in the 49 days of gaining revelation and getting healing. And it started last weekend (Resurrection Sunday, the last day of Passover, April 4th) and is going through May 23rd, 2021, which is Pentecost. Whoo-hoo! It’s a powerful time right now! I’ve been experiencing it myself. I’m just moving forward each day. I don’t care what it looks like. I tell ya, it’s such a fun time. God’s gonna use this time to release revelation and do healing. So don’t be discouraged by that, like healing word, you know, that part. Because the revelation’s gonna offset everything for you. He’s gonna give you deeper insight.

So, just a recap. Isaiah 60. Write these down if you don’t know them. Isaiah 60:1, 11 and 22. And the entire chapter of Matthew 13. That’s where we’re heading. And that’s what I’ve been talking about the last month, throughout March. And now I put together both words from March and April into this. The major turning point—the dark night of the soul of 2020—is coming to an end, and the Lord is shining His light. That’s Isaiah 60:1–2. The darkness covers the world. Deep darkness. But the Lord said, “I’m gonna shine upon you.” And He’s gonna start bringing people out of that place—the dark night of the soul, dark night of the spirit, whatever you wanna call it. And He’s gonna ... He says this, is to rise up right now. And in verse 11, He’s opening those gates of finances. Take a look at it. In verse 22, He’s gonna use the small and humble things, and He’s gonna move quickly. I tell ya, I’m decreeing all three of those verses right now. I’m claiming those over my life, my ministry.

So watch for continued spiritual healing. The healing of the eyes that cannot see, the ears that cannot hear, and the heart that does not understand. That's what we've come up against. It's Matthew 13. Some people want to know what's going on with the prophetic, you know? It just feels like it's all over map. The Lord showed me. I had asked Him. And I was standing in the Courts of Heaven, and He spoke this to me. He said, "It's coming against the world right now, but you need to put on your own oxygen mask first." So don't start looking at other people. Let's get ourselves situated here with Matthew 13:14 where He says, "You'll be ever hearing but never understanding. You'll be ever seeing but never perceiving. For this people's hearts have become hardened (or calloused); and they hardly see with their eyes, hear with their ears or understand with their hearts." That's a 3-cord attack. And we just ask the Lord right now, remove that. It's what He did with me. He removed it. Suddenly, oh my goodness, I could understand! It was like everything started falling into place! Not all the pieces, but you know, it started to shift. So again, we're moving into this time.

Now this week, I want to talk about the part of the prophetic word I had released is about the Matthew 13, the parable of the hidden treasure and the pearls of great price. Oh my goodness, the Lord spoke to me deeply about this. And I love these verses. And by the way, I've been teaching out of Matthew 13 for a very long time when I train on dream interpretation, and you know, growing as a seer and the prophetic, because it's a great one. Because it's "the mysteries of the Kingdom of Heaven have been given to you," Jesus said. The mysteries. The secrets and the mysteries of the Kingdom of Heaven. But I had never noticed this other stuff in here. In verse 44 He says, "The Kingdom of Heaven is like a treasure hidden in a field. And when a man found it, he hid it again. And in his joy, he went out and sold everything and bought that field." The Lord said, "I'm releasing hidden revelation like the parable of the hidden treasures." It doesn't mean that it has to be money. Treasure sounds like it's money. It might be financial, but it can also be spiritual.

In fact, you know this by when Jesus talks about this in Luke 16:11, He talks about testing to see if you can be trusted with worldly wealth so that He can trust you with the real stuff. Here is what He says. He says, “So if you’re not trustworthy in handling worldly wealth, who can be trusting you with the true riches?” So, He’s even saying here true riches, or the hidden treasure, is not always financial. It can be revelation! In fact, for me it is. It’s revelation. To me, the true riches ... You do a study on this, the apostle Paul talks about true riches coming. Now it may shift. Mostly likely when you get the true riches, it shifts your financial situation, too. But you gotta walk through it, and this is part of the healing. When I say that He’s gonna heal us, it’s so that Isaiah 60:11, the financial gates can open over you. How many want that? Come on! Well then, you need to get Luke 16:11 in place, which says, I just read it. Which is you gotta be trustworthy with worldly wealth. So that you can handle the true riches, which can be financial downloads. Financial things. I’m telling you! This is a time, and the spiritual things are shifting right now.

Let me just give you the practical example in my life of the hidden treasure. In 1991, I had my first angelic visitation. I didn’t see an angel, but I was knocked to the ground. And God gave me a message. It was spoken directly in my spirit. I didn’t hear anything audibly. But it was so real, I could repeat to this day. That’s the internal audible voice of the Lord. And it was revelation. A message. It was called, *The End-Time Marriages*. And later, I changed the title to *Divine Alliances*. It was a move of God coming to align people: couples, churches, businesses. Two are better than one. To strategic divine alliances. And in the midst of this, the Lord said that He was ...

When I was getting this download, He told me details. I mean, this is 1991! He said, “And your mother is gonna come to Heaven as a sign and this is gonna start.” And I’m like, “Whoa!” In fact, I didn’t know how to respond. I won’t go into the details. But in 1991, I was going through a painful divorce. I wasn’t in ministry yet. I was doing ministry. You know, I was ministering to homeless and things like that. I was serving in my church and stuff. But I wasn’t in any spiritual condition to handle this level of revelation! It was

hidden treasure. I was actually camping that weekend. I wrote it all down. I wrote down all the revelation He gave. Because that encounter with the angel only lasted a few minutes. Just a few minutes. But the rest of the weekend, He gave me the downloads while I was around the campfire. You know, while I was sitting there with my guitar and worshipping the Lord, He gave me the downloads to it. This was hidden treasure.

Then He said to me, "I want you to seal it up." What? Seal it up? Until I see the things come about. He said, "It's not time for this yet. Seal it up. Don't tell anybody about this." So all my friends are having angelic encounters, writing books. I'm not allowed to! I got hidden treasure. And so I did. I held onto it. And then in 1999. Now, that was '91. I carried this little file folder around with me, and when I moved everywhere, I carried it around for years! It said *End-Time Marriages Encounter of 1991* on it. And I added to it as God gave me things, and I would fire it up again. But then my Mom went to Heaven, just like the angel said. And the things that was in it came about in 1999. My Mom went to Heaven. And then, the later things that needed to happen started to happen in 2004.

And the hidden treasure was actually valuable things. Very like ... It reminds me of when Mary was told about Jesus by the shepherds, you know on "Christmas Eve," so to speak. Luke 2:19 it says, "But Mary treasured these things and pondered them in her heart." So the Lord's gonna give you ... Now it might not be the same thing like me He's gonna give you. This is an example of a hidden treasure. He's going to give you (or maybe He did before), and He's gonna pull it out and give you more. That encounter, that dream you had, there's hidden treasure being released right now.

All right. The second one out of Matthew 13 that He's doing over the next 49 days. It's not limited to that, but these are another thing. It's called the pearl of great price. Matthew 13:45, Jesus said it again. "The Kingdom of Heaven is like a merchant who was looking for fine pearls. And when he found one of great value, he went and sold everything and bought it." Now this is the second thing. The Lord is releasing revelation, assignments. He's releasing strategies, song, art, you name it, it's coming from Heaven

right now to bless you. And I've had this several times in my life. Now in my case, my pearls of great price have caused me to sell it all were Bible verses. They were assignments that came to me. In 1992, remember when I had the encounter in '91. In '92, the first thing He did was speak to me just within a few, six months later or so. Maybe a year later. I don't remember exactly what it was, but He spoke to me three verses. Matthew 4:19, "Come and follow Me, and I will make you fishers of men." Matthew 22:37 Jesus said, "Love God with all your heart, all your soul, all your mind. Love your neighbor as yourself." And then in Matthew 28:19, "Therefore go and make disciples of all nations and teaching them what I've taught you." Now those three verses shaped my life. They were my pearls of great price. In fact, it shaped me into evangelism. You hear me talk about my "love God" stuff? This came in 1992! But it's written in the Bible, so it's like a legal document that you can use.

Then I had another one in 2002. I had another three verses given to me. Acts 1:8, Acts 2:17 and Acts 26:17. These were the things that helped launch my prophetic evangelism. Acts 1:8, "But you will receive power when the Holy Spirit comes upon you. And you will be My witnesses to all the world, in Judea, Samaria and the ends of the earth." So, the power was coming and to be a witness. And then the second one ... it was, "In the last days,' God said, 'I will pour out My Spirit on all flesh. Your sons and daughters are going to prophesy. Your young men will see visions, and your old men will dream dreams. Even on My servants, both men and women, I will pour out My Spirit in those days, and they will prophesy." And the Lord showed me this, is that I'm sending ... because I was already an evangelist. So this was the start of the prophetic evangelism. I tell you, I was one of the forerunners. This is how the pearl of great price ... I sold it all after this, and we went after this. We started ministering in power instead of just using, you know, the Four Spiritual Laws or something, we were using the prophetic gift. We were opening up dream interpretation booths We were doing the power.

And then the max—the top of this one was the third one, which was Acts 26:17 where Jesus is talking to the apostle Paul on the road to Damascus. "I will rescue you from

your own people, and I will send you to them to open their eyes and turn them from darkness to light, from the power of Satan to God.” Now that was a missing key for me, is the ability to open people[‘s] eyes. All right.

So, I’m releasing this over you right now. In the next 49 days is gonna be a start, but it’s gonna start happening even greater all year. The Lord’s gonna activate this over you.

So Lord, I pray that You would open our eyes to see, give us ears to hear, hearts to understand. I pray, Lord, for the pearls of great price. The assignments. I pray for the treasure—the hidden treasure. Some of you already have it. You just need to pull it out, like I did. I already had a file folder. Others, the Lord’s gonna activate this in you right now, in Jesus’ name.

Whooo man! This is a powerful, powerful time. And speaking of power, we’re gonna be doing a training this month that’s gonna help you.
