

Steps to Developing Higher Revelation

Doug Addison [Episode 189]

July 14, 2021

Hey, friends, welcome! *Spirit Connection* podcast, July 14th, 2021. God is moving you into the higher levels of revelation right now, and I released a prophetic word for the month of July. You've got to get this in your spirit. Check this one out, because God is releasing you from past seasons, out of the Valley of Trouble. He's opening the new doorways of hope. It's actually, [Spirit Connection podcast Episode 188](#), July 7th. That's the word for July. You've got to get this in your spirit because it's going to open some things up, bring new hope to you. And in the midst of this, the Lord is taking you higher and deeper in the spirit, higher revelation. I keep talking about this deeper understanding and I'm going to open this up over you today. There's something going to happen. There's going to be a shift in the heavenly realm.

Lord, we come into agreement on Earth as it is in Heaven. I pray for the anointing that hit me. I felt it when it hit me over this word, and as I was writing this word. I felt there was a ... oh my goodness, a huge, huge battle broke out over this word, then suddenly, in the middle of it, it just broke. The battle broke and it was like a sudden turnaround. So I'm praying that for people who have been battling, in Jesus' name, amen.

Well, get ready. This is a season to be stretched into something new. Job 33:14,

“God may speak in one way or another, but yet people may not perceive it.” And the Bible is full of amazing, sometimes strange stories of God communicating with His people. He can speak through a donkey, right? He'll thunder or maybe it's a still small voice, a dream, or a vision that might not make sense, but the Lord is speaking all the time. And most of us are comfortable with Him speaking in the Bible (through the Bible), which is great. In fact, this month—part of the word this month is a deeper understanding is coming here through the Bible and your Bible is going to become a road map for you. It's important to grab hold of this, Luke 24:45. Jesus said, “Then he opened their understanding that they might comprehend the Scriptures.”

So Lord, we ask that You would open our understanding that we might comprehend the Bible and the scriptures. We pray right now that You would move supernaturally, in Jesus' name.

Wow, something just happened again, whether you feel it or not. I've felt the power over that. There's a supernatural move happening. Greater dreams, greater visions, greater heavenly interactions are going on because the Lord is releasing--, These angels are out there, breaking up the clouds. I saw them as—I don't know what to call them. They were firmaments. They were being placed over cities, over people. They were falling--, It was just the enemy blocking, you know, the third Heaven from flowing.

The enemy was blocking it, but angels are breaking that up right now. But as this happens, there's a foundation that God is releasing. New revelation is coming, and I always lay it on this foundation, Ephesians 1:17. “I keep asking that the God of our Lord Jesus Christ, the glorious Father, may give you the Spirit of wisdom and understanding that you may know him better.” Wow. We need this right now. We need wisdom and understanding. We need to know the Lord better. That's the whole key there ... is, you don't have to be a prophet. You don't have to be a seer. I talk about seeing, you don't have to. You don't have to have an angel visit you or anything like that. It's just

happening. Hearing God needs to become a function in our community, our churches, our business, our families. Hearing God needs to become a function. You know, not so much a title. It's OK to have titles. But I'm just saying it's a function, the Lord's function. He's doing a strange work. Isaiah 28:21 (I kept hearing this over and over. I've talked on it a couple of times), "The Lord will raise up ... and do his strange work and perform his task in an alien way (or an alien task)." That's not an ET, by the way. But it's strange work. Strange work just means that He's working things out behind the scenes that you don't understand.

He's going to take things that were intended for evil and He's going to flip them around for good. He's going to give you answers to your prayers, prophetic words, but they may look different. That's the strange part. He's working things through behind the scenes of things and what was intended for evil, He will indeed turn around for good. You just need to give Him time to do it and stop yelling and complaining and getting mad when it doesn't happen. Watch this happen. The Lord will indeed break through for you. Now, I'm going to talk a little bit more about some of the stuff with my prophetic word this month ... is that there's higher revelation, deeper understanding.

Revelation 4:1, "After this I looked and before me was a door standing open in heaven. And the voice that I heard speaking to me before said, 'Come up here and I will show you what will take place after this.'" And, you know, there's something you're going to have to rise above. The Lord is saying right now because, see, we're exiting the Valley of Trouble—that's part of my prophetic word, the Hosea 2:15 Valley of Trouble. The Lord's opening a Door of Hope, encourage each other with this. Get through this. I tell you, there's a shaking coming over this right now, breaking things open. The Lord's saying now, "Come up here, rise above." You don't have to go into the heavenly realm. You don't have to do anything like that.

You just need to get your mind above the things, get your mind set on things above, Paul says. “Come up here and I'll show you what's about to take place, in the coming season.”

Isaiah 11:2, “The Spirit of the Lord rests on him—the Spirit of wisdom and understanding.” So as you get--, as you start to get this understanding, you don't have--, and I recommend not going in doors of Heaven. Just let the Lord open this up, here. This is just metaphor, the metaphor message. Some of you might see something. That's fine, but in other words, suddenly a door is going to open with this higher revelation. But in the midst of that, the Lord's calling us to the deeper understanding of it. Isaiah 11:2 is the Spirit of wisdom and understanding. Luke 22:45, “Then he opened their minds (Jesus did) that they might understand the Scriptures.” So there's going to be a greater understanding of the Bible, situations, your life. The Bible is going to become a road map. So watch for the heavenly strategies. I keep hearing this ... Ezekiel 3:3. And he said they gave Ezekiel (these hands stretched out), and says, [they] gave them this scroll and said here, “Fill your stomach with this and he ate it. And his mouth was with honey and sweetness.” There's some sweet things flowing right now. Now this is, again, you don't have to see this. I'm just using this as metaphor.

You don't have to see it. But the Lord is releasing spiritual books. Revelation, plans, strategies from Heaven right now come in the form of dreams and visions. It'll come in the form of divine understanding. New books, new teachings, new sermon series, there's going to be a lot. New understandings is going to come out of this. I felt like the Lord say there's going to be people that are--, Some of you've been working on a book you need to--. This is just a word for some people: You'll need to just put that aside and start working on this new one. Others have been trying to finish your book—suddenly, it's going to come. Others are going to get revelation, who's never written a book, and you're going to see something happen. Jeremiah 30:2, “This is what the Lord says, the God of Israel: ‘Write it in a book all the words, I have spoken to you.’” This is a season,

a backlog of revelation being released. Can I say it again? This is a season of backlog revelation being released. The Lord is releasing downloads on people who've never written books. You've never done anything like that, but maybe you don't consider yourself a writer. Maybe you're not a writer. Somehow, the Lord is doing this. He's going to reverse things out with His power. He's going to reverse things. The scales of justice are shifting right now over people. The fresh new revelation, the fresh new wisdom is here.

Fresh new wisdom is here. First Corinthians 2:6–7. I just really love this one because Paul says “We're not talking about the wisdom, you know, of the world. We speak a message. We don't speak the wisdom of this age. This is a mature level.” That's what's being released right now, is mature wisdom that even the children can get. And Paul goes on to say in verse seven that, “No, we declare God's wisdom, the mystery that has been hidden since the destiny.” It says, “God destined time, and it's been hidden before time and destined to be released right now.” I paraphrase a little bit because I suddenly saw it. It's like, wow, I see. I was seeing the things flying out from Heaven and flying into dreams. “No, we declare wisdom a mystery that has been hidden and that now God is destined for your glory before time began.” The Lord is releasing new wisdom, new levels of revelation, mystery hidden before the beginning of time. He's releasing the mysteries right now to bring greater understanding into your life.

Now, how to operate in this, practically—ask the Lord to speak to you each day. That's what I do. I pray each day. I say, “Lord, show me what You want me to see.” And then I add on, “Show me what Satan doesn't want me to see.” I pray those two things. I use Bible verses. Record what you're hearing. You know, whether you write it down, somehow, begin to record and write down what you're hearing. Come into agreement and pray with others. That's important right now, a three-cord prayer or something. Don't be out there alone. Or, you know, Ecclesiastes 4:12 says “One can be overpowered or

two can overcome.” If you're alone on this, you might be overpowered, you're getting discouraged. You got to come into agreement in some way.

We can bring Heaven to Earth right now. Jesus said this in Matthew 6:10, “On earth as it is in heaven.” You could bring the qualities of Heaven right now into your daily life. In fact, I'd recommend it. In John 4:24 Jesus said this, “God is spirit and his worshipers worship him in Spirit and truth.” So as I've been talking about books and strategies, they're spiritual. But we need to worship in the spirit right now to get ahold of them. See, they get downloaded to you in a dream. You might not understand it, but as that goes into your spirit, as you begin to pray in the spirit, it suddenly comes into your head. It doesn't go into your head. It goes and your spirit. I've been singing in tongues. I've been praying in tongues, my wife thinks, “What do you singing? What are you saying?” I'm always singing in tongues right now because there's so much download into the spirit, then suddenly what I need for today comes up into my gray matter—comes up to my brain.

That's what you need to do right now. This is the strategy. Also, to get this high revelation and this deep understanding is to let go of expectations. Numbers 12:6—people expect to get a face-to-face visitation with the Lord, but it talks about this, “When there's a prophet among you, I, the Lord reveal myself in visions and in dreams. But not true with my servant Moses; he's faithful in all my [house]. I go to him face to face, more clearly and not in riddles; he sees the face of the Lord.” Now you don't need to see the face of the Lord. In fact, I've never had a face-to-face encounter with the Lord. I've had 'em in visions and dreams.

Let go of expectations right now. This is a season for you to step into some great revelation, the high revelation, the deep understanding. God speaks in many ways, but most people are missing it and they need to receive it by faith. Whether you actually see it ... doesn't matter. Let go of that, just trust the Lord. I know you can feel this. There's

something going on in your spirit. I feel something connecting with your spirit right now. And, you know, I just want to open this up right now for the Lord to speak in all the ways, especially the strange ways, the supernatural ways. I want to open it up.

So Lord, we ask that You would speak to us through the Holy Spirit. We ask that You would speak to us through the Bible. We ask that You would open up dreams and visions, angelic encounters, whether we see 'em or not, usually they're faceless people in dreams. We ask that You would impart peace and joy. We ask that You would bring the illumination of Your Word, the understanding of Your Word. We ask to be caught up in worship. And Lord, I just know this—hearing You say, “I love you” is just as powerful as a face-to-face encounter. Give us the revelation of Your love right now. Give us the revelation of Your love. Give us the revelation of Your love.

God is love. He's for you. And I keep saying it over and over. We need to get ahold of this. The fact that we need to get ahold of the two things that Jesus talked about was the most important. The great commandment, which is “Love God, love others, love yourself.” And the great commission is to share God's love. The attack of the enemy is against love. Even the prophetic. Paul said this. He said, you know—prophecy. He said, I want you to prophecy. But if you look at it, everything's based in love. Eagerly seek the prophetic gifts, but you base it in love. Break out of this thing right now, break and rise above and you are going to hear something. You're going to get something greater.

Lord, I pray that You would release dreams and visions. I pray that You would release greater understanding. I pray that You would release the things that have been hidden before the beginning of time. I pray for the books that need to come out of this. I pray to break off--, I felt like some people need to break off striving. You need to break off pride. You need to

break off the things and walk through this time during humility. In Jesus' name, amen.

Ooooh, wow! There's going to be a shifting. You watch over the next seven days. You're going to see some things happen. I always say, I can't wait till tomorrow. It's getting better every day. It's definitely getting more interesting each day. And the Lord says that He commends you because you've made it through. Most people that have not understood the level that we've been walking through. And it's important right now to keep your eyes on the Lord—on the Lord, what He's calling you to.

I'm going to be doing a training this month. It's called [*Growing in Prophetic Wisdom, Discernment & Understanding*](#). It's July 24th, 10 a.m. You don't have to be there, but you do need to sign up. But it's a two-hour training. If you've ever been to one of mine, it's always packed with power, and you can ask questions and interact with us. DougAddison.com/Growing. I'm going to be releasing more of this, the understanding of the prophetic gifts and how to operate specifically in the gifts of revelation for this season, a foundation of biblical training on how God speaks.

I'm going to go into steps to hearing God accurately for this season, which means how to know the difference between yourself, God and the enemy. How to understand and develop the wisdom and understanding gifts, the seven Spirits of the Lord that are being released. Also, a training that I have that not too many people talk about it. And it is having to do with the discerning of spirits. Most people who have the discerning of spirits, they have no idea. You don't trust people, right? But yet they're opening their problems to you all the time. And you end up getting these weird things for people where everyone else is getting encouragement—you see angels, demons, sickness. You know, everyone else is seeing angels, but you're seeing demons and sickness. That's the discerning of spirits gift.

I'm going to do a training on how to flip that around because I was there. And we need you. How to shift from seeing angels over demons and how to develop the prophetic plans and financial strategies, how to open up the seer realm of wisdom, discernment, understanding. This is going to be powerful. I've already gotten most of it written. I write these fresh because I want it to be a fresh training at that time. Just go to DougAddison.com/Growing. It's on July 24th. Hope to see you there. If not, I'll see you next week. Stay encouraged!
