

Prophetic Message for Yom Kippur

Doug Addison [Episode 198]

September 15, 2021

Hey everybody, Doug Addison. Welcome to *Spirit Connection* podcast. It is Wednesday, September 15, 2021, and it is Yom Kippur. It's considered the holiest day on the Jewish calendar.

And wow, Lord, we just ask now, that You would open the heavens over this message that's here. This prophetic word for Yom Kippur. Father, I ask that You would cause us to come into agreement with the principles of the Bible, come into agreement with the Spirit of Jesus, and come into agreement now with Heaven in Jesus' name. Amen.

Well, maybe you've heard me say this. We're no longer under the Old Testament law of Moses, but God still operates on the Jewish calendar. So this is the day ... It's known as the Day of Atonement. But you know, as believers in Christ, we can celebrate the fulfillment of Jesus being the final sacrifice. And you know, Yom Kippur is actually September 15th through the 16th. And so, right now it's going to start, actually, it's going to start here the next day or so, but it's going to shift into place. God is going to do something new. You know, this is the day that God seals your instructions and your assignments for the coming year. Historically, that's what the Jewish people believe, and they still believe. And as believers in Jesus, we can come into alignment with this—take time to reflect on God's goodness.

This is the season to hear the Lord. We're in the Days of Awe. This is a 10-day period from Rosh Hashanah, the Jewish New Year, through Yom Kippur. So, this is a time to celebrate God's goodness. Ask the Lord to speak to you about the coming year. Now, a lot of people want to have an encounter. You know, they get disappointed. They start focusing on the encounter instead of the Lord's heart, instead of what God has for you.

And so, Psalm 139:16, "Your eyes saw my unformed body; for all the days of my life were written in your book before one of them came to be." The Lord inscribes our assignments into a spiritual book. Very similar to this one we just talked about but doesn't get revealed to you until a little bit later. But it contains the instructions, revelation and knowledge for what's going on right now.

And the word of the Lord right now ... John 15:11 (there's words of the Lord being released), "Have I not told you ..." (Jesus said) "Have I not told you these things that my joy may be in you and that you may be complete." Now, the joy of the Lord gets imparted through His words. Now, many of His words were written down. So, "Have I not told you this so that my joy may be in you and your joy may be complete." You see that? The joy of the Lord makes your joy complete, and this comes through the Word. And watch for the Lord to speak to you through the Bible, through dreams and visions and prophetic words. The ability to hear the Lord is going to increase.

The key to this is to stay positive and do not get discouraged by what's happening in the world right now. There's a strong connection with the spirit of joy to lift you out of this time right now. So, the Lord is not angry. You know that? You've got to get this! First Thessalonians 5:9, "For God did not appoint us to suffer wrath but to receive salvation through Jesus Christ." I think someone needs to read that again. Someone needs to put that on a bumper sticker or on the internet. "God did not appoint us to suffer wrath or anger, but to receive salvation through Jesus Christ."

It's important to understand that the Lord is not angry with us. He's not punishing the world. You know what we're seeing right now is Satan releasing attack after attack against us to get us to not be able to meet together, to drive us out of unity. He's releasing the spirit of violence to try to get people to blame each other. First, he's really, basically, it's to get you out of this. First John 4:8, "But whoever does not love does not know God because God is love." The Lord is revealing Himself to the world, and God is love. So, we need to come into agreement with love.

So, also Psalm 46:10 (Whoooo boy, this is a powerful, powerful shift that's happening right now), "But be still and know that I am God; I will be exalted among the nations, and I will be exalted among the earth." The Lord is going to do something this year that--, powerful things that's going to get the world's attention, not in a bad way. These are not tragedies. This is the goodness of God that's going to be released.

You know, the Lord is going to do something in the midst of the mess with all the distress. The Lord will restore the confidence that many people have been having. You know, there's been loss and trying to bring together the remnant that's going to listen to what He has to say. The Lord is bringing together a remnant of those who will listen to His voice and respond with love. The Lord is calling you into a deeper place of intimacy with Him.

So, as you take time to be still you will see greater levels of peace released to you. Now the spirit of prophecy's here, because this is the season to hear the Lord. Because the Lord is opening this up. Revelation 19:10, "Worship God! For the Spirit of prophecy also is the testimony of Jesus". "The Spirit of prophecy is the testimony of Jesus." So, the Lord is releasing a greater level of the prophetic gifts. He's releasing the spirit of revelation, the Spirit of prophecy. And even as I speak this, the Lord is releasing greater understanding, prophetic dreams, visions, wisdom. Understanding is being released from Heaven right now. So, watch for testimonies.

The testimony of Jesus is ... the Lord's going to do some miracles in your life. There's many different levels, but you're going to get a testimony. If you haven't gotten one already, watch, you're going to see some this year. I've got a lot of these. Revelation 12:11, "They triumphed over him by the blood of the Lamb and by the word of their testimony." There's something about the blood of Jesus and the word of their testimony that the Lord is releasing your new ability to overcome. The Word and the blood is very powerful and it's a powerful--, It's going to bring amazing changes to the world and your life. So, stay in the refuge of the Lord. That's the best way to do it.

The main Bible verse that I heard for the Jewish New Year (5782 is the Jewish New Year). But the main verse I heard was Psalm 57:1, "Have mercy on me, my God have mercy on me, for I take refuge. I will take refuge in the shadow of your wings until this disaster has passed." So, it'll help to operate in the spirit of mercy ("have mercy on me"). So, you need to operate in having mercy, be patient and be under His protection. Stay under His protection. Be patient, have mercy. And watch as the disasters will pass. Now, this might not be global. This is not a global word. The pandemic might still be there. You got to understand this. The troubles in the world might not stop, but the Lord is going to do something.

We can continue to pray for this, that it will stop. We can, in fact, we need to. But the Lord is going to give you the ability to stand in the storm to be blessed in the midst of an economic--, no matter what the economic situation is. The Lord is your fortress in the time of disaster. He's providing plans and strategies that are going to get you through this and be a blessing to others in the midst of it. So there are financial blessings available right now.

I heard the Lord on this—Deuteronomy 28:12—you've got to write this down. Get this on your Bible or your refrigerator, whichever one you go to more. Deuteronomy 28:12, "The Lord will open the heavens, the storehouses of his bounty, to send rain on your land in season and bless the work of your hands. You will lend to many nations and borrow

from none.” That is powerful. The Lord wants to release this to anyone who will hear His voice and operate in the spirit of love and humility. That's one of the requirements.

The plans from Heaven are being released right now. Jeremiah 29:11 is one of them, “For I know the plans I have for you.’ declares the Lord, ‘plans to prosper you and to not harm you, plans to give you a hope and a future.” So this is going to be a greater fulfillment and the release of Jeremiah 29:11 and to move, you know, into that place of being prosperous at whatever level. You know, you could be prosperous right at--, with a fixed income and God will give you stuff. You know what I mean? Right at that level, that's what “that level” means. So, strategies are going to be released to get out of debt. The Lord's going to open up the greater understanding into your calling and bring a hope and a future. That's the Jeremiah 29:11 as well. I'd break that verse back out and get that out on your Bible and your refrigerator as well.

Revelation is here and will continue to flow. I heard this, Isaiah 45:3, “I will give you hidden treasures, riches stored in secret places, so that you may know that I am the Lord, the God of Israel who summons you by name.” He's summoning you by name. The Lord is going to move at a deeper place and to bring blessings, not just financial, but spiritual. He's going to open this time of revealing revelation of being hidden for this time. Also, hidden treasures will come. This is the form of ideas, plans, invitations, strategies, you know, unexpected financial blessings are going to be released.

And it's time to step up into this new season ... to step into the new season for this. This is Yom Kippur ... is the great Day of Atonement and where we are right now. We're at Yom Kippur. And so, because Jesus died on the cross because He atoned for your sins, we just need to step into this deeper relationship with Him.

So I just tell you right now, Lord, I release and activate this. I ask You would bring the blessing on Yom Kippur.

I heard the Lord say to call people to this deeper level. It's what's happened with me. I've moved to a deeper level of intimacy. So, to call people into salvation even--, Some people were listening to me. Maybe you've never really given your life to the Lord. Maybe you listen to my podcast. I got a lot of people who listen to my podcasts. Maybe it's just time, you don't understand it. Just, just--, you could just give your life to the Lord by just saying, "Jesus, come into my life, forgive me of my sins, purify me of unrighteousness and fill me with the Holy Spirit in Jesus' name." That's it. You know, you'll want to get around some people, you know, that help you. But the call for salvation--, I heard the Lord say that this day that there's going to be a time, a call to repent. Many believers right now, you need to step up into this. There's people right now listening to my voice that--, this is Yom Kippur. This is the Day of Atonement! This is the day the Lord is moving over you. It's a call to repent right now for doubt and unbelief.

Lord, we repent for not believing Your words. We repent for coming into agreement with the spirit of fear, sickness, death, confusion. We repent for these things. We ask now that You would open things up. (And also, the Lord showed me this—It's a call to many ... people need to rededicate. Maybe to the Lord, but also to your calling. Some people laid their callings down. It's time to draw a line in the sand and say, I'm going forward, I'm going with the Lord with all of my heart. I'm not going back. I did this in 1991 and I just did it at the carpet, you know. I think I was in a church service. I don't know where I was. It doesn't matter. But I was at the carpet. I drew a line in the sand, you know, and I stepped over it. I said, "Lord, I'm going for Your calling on my life." And you can come into agreement with me. The Lord showed me, there's people right now who need to rededicate. There's stuff that happened to you and to rededicate to the calling that God has on your life.) In Jesus' name, amen.

Well, this is a powerful, powerful, powerful day. I'm so excited for what the Lord is doing. And you know, you can hang out with us, DougAddison.com, my website. And I want to

first tell you about this. I have some more things to say in a minute about how to respond. But first thing is, I'm doing this online training and you know, I kept saying "save the date," even said, you know, "save the date." Normally we do, you know, an online training, a powerful one each month. And I had waited on the Lord on this one. Finally, I got it. It's September 25th, 2021. It's called [Restore Your Financial Storehouses](#). Wow. The power of the Lord is being released. It's an online training, you know, this is a webinar form, you know, where you get to interact with me—live. But also, you may want to consider this: go to DougAddison.com/Storehouses. I'm going to tell you more about it, but you may want to consider being part of this. It's a special price of \$27 because this year is our 20th anniversary, we are doing \$27. This is crazy, crazy, low. And the Lord is moving right now. Maybe you've felt like you need a breakthrough in your finances and this Deuteronomy 28:12 (I believe this is the main thing that's going to happen, it happened for me), "The Lord will open the heavens, the storehouses of his bounty, and he will send rain on your land in season and bless the work of your hands. You will lend to many and borrow from none." Have you ever wanted to have that anointing to be able to lend to many and borrow to none? You know, we broke the back of debt over our ministry in 2013. We've never gone back, personally. And we're at a place right now, in a season to where we're lending instead of borrowing, you know.

And I want to show you how to do it in this online training. The Lord is releasing the anointing, strategies and plans from Heaven to bless the work of your hands to get a financial breakthrough. The storehouses on Earth have been depleted with the pandemic, superstorms, the tragedies, things happening. But God is calling us right now to step up and be a blessing in the midst of the storm.

The Bible is full of powerful promises and principles. You know, and you can open the heavens over your finances at whatever level you need. It doesn't mean that everyone suddenly becomes, you know, debt-free and a millionaire. You can get there, but I'm just saying this aligns you with it. This is not a get-rich-quick thing, but it's what I did. These are the principles that the Lord showed me, and He showed me these things that will

help you to increase. Maybe ... Have you ever felt like you want to increase your finances to bless others? Maybe you need a financial miracle. Maybe you're already blessed, and you need some new strategies. But I want to invite you to the strategically timed, online workshop—[Restore Your Financial Storehouses](#)—the solid biblical teaching on money and finances, breaking off the spirit of poverty and debt, helping others to do the same.

Maybe you've got this: You sow, but you don't reap. I actually have a strategy from the Lord, how to break that off. Overcoming greed, the love of money, plus the financial strategies from the Bible. Biblical financial principles that's going to change your life and how to change the spiritual atmosphere over your finances. And how to get out of debt and stay out of debt. It's not really a get-out-of-debt workshop. I'm going to talk about things that's going to align you with Heaven that will keep you there. It will help you increase it, if you have a plan. We had a plan, but these principles help accelerate that plan. So ideas on how to increase your income and cash flow. Also, the practical strategies to increase your money. How to get started with your financial breakthrough.

I'll have an activation prayer as well. A time to do Q&A with me. And maybe consider this ... Consider the Trainer Kit if you want to. You don't have to be a teacher or a trainer, but we're offering the Trainer Kit upgrade. And so that is [DougAddison.com/Storehouses](#), but we're offering the Trainer Kit. You can activate this in your life. You can teach this. We'll give you the PowerPoint or the Keynote slides. You can edit them, use this. We have some guidelines for it, but it's a time to get this. This very, very powerful, powerful time. And it's only \$27, my goodness.

Woohoo, I'm excited for this and also the prophetic word for Yom Kippur.

So, God bless you and go to my website [DougAddison.com/Storehouses](#) or just see you next week.
