

Prophetic Word: Promises Fulfilled and Blessings Released

Doug Addison [Episode 244]

August 3, 2022

Hey friends, Doug Addison here. Welcome to *Spirit Connection* podcast. I've been so looking forward to this week. It's Wednesday, August 3rd, 2022, and I have a prophetic word that's going to help launch you into the next few months. It's going to bring some alignment, also some healing to some things. I tell you, the Lord is moving in such new ways. It's called "Promises Fulfilled and Blessings Released." And this is one of the more powerful words. I get a lot of words. And I felt like that this has some undertow to change the rudder in your life. Plus, the wind is in this—the wind of the Spirit—both.

So, Lord, we pray right now. Thank You for Your goodness. And I thank You for each person listening. No matter what time or when these prophetic words, they aren't limited to time, because You are outside of time. You're the Creator of time. (So you could get this later on the internet and apply it to your life right now. Others, you're going to see yourself right now and know what to do. Maybe you'll come back to this later.) Yeah. We pray for the wind of the Spirit. We pray for the rudder to turn the ship in Jesus' name. Amen.

Well, we're entering into a time. It's a new time and season. The new time and season. Let's say it a third time, because there's three things happening. It's a new time and season. There's been a lot happening right now. And, you know, it's been a major shift that's taking place. Daniel 2:21 is a verse that I got, "And He changes the times and the

seasons; he [deposes] kings and raises up others. And He gives wisdom to the wise and knowledge to the discerning.” Daniel 2:21, that’s an important one, especially when we’re talking about something. And watch for changes in leadership is going to happen right now. Changes in the governmental shifting is happening right now and the Lord is calling us to cry out for wisdom and understanding on how to pray as we navigate through this time.

Mark these words, the Lord’s going to do something new outside of what you understand. In fact, He told me that the next verse to pray over you is Isaiah 43:19 ... is the new thing. The Lord said, “See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.” You know the Lord is doing a new thing and He’s bringing you and many of us out of a wilderness time. Over the last few months, He’s been doing it with me over and over.

I didn’t even realize I had little “pocket” places in my life, it was in the wilderness. You know, my understanding over certain things ... my goodness, over the last two months, particularly, everything is shifted. Angels are starting to flow. The Word of the Lord is starting to flow. But watch for new plans and strategies and ideas start to unfold. Promises and inheritances are going to start opening up to you.

Now, my team and I actually helped pray this word in because I was feeling this, and we prayed it in as a team. Most of the time, I get the prophetic word, you know, me and the Lord. And then I run it through the Lord and our team prays over it later and prays over, you know, to make sure that we don’t have anything in common with that and then we can have an authority over it. This time, my leadership team and I got the—, I got the word. But some of these verses we prayed out, especially this one—is Psalm 37 in The Passion Translation. And you could probably go through a lot of it, it’s a powerful thing right now. The Psalm 37:11 (Passion Translation), “But be humble of heart and you will inherit every promise and enjoy abundant peace.” The Lord is saying right now, just keep moving forward and humble yourself to stay—, in other words, you don’t want to

be overly humble, where you have false humility. But if you choose not to argue, choose your battles wisely right now, because there's an inheritance happening, there's a shifting happening, there's a redistributing happening right now of spiritual gifts, callings.

There's an alignment. So, Psalm 37 is a powerful, a potent thing right now, especially The Passion Translation. And if you stay humble and at peace, you're going to see some doors open up and God is going to begin to part the waters before you.

Like I'm walking forward each day, but it's almost like He's parting the Red Sea, He's parting the waters. I almost got—, I mean, I did get in an accident this past week and I could have—, I almost got killed. I was in my car driving and I won't go into the details, but praise God for His angels. He told me. He said, "Stay alert and brace yourself." And then the enemy hit me really hard, and I went off the road doing 70 miles an hour and a couple of angels put me back on the road. If I was in my wife's car, our CRV, I probably would have flipped. But I was in my BMW, the ministry's car, and praise God for the angels and high-performance cars and good handling because, man, I did a *Dukes of Hazzard* move afterwards. And I ended up going right off of an exit, that was like 30 miles between each exit. I go off the exit, everything was good. I was shaken up, but the Lord said, "I'm doing something new right now."

He says, "Stay humble and be at peace and you will see the waters part." You will see things happen. What should have been probably very, very hard on me, you know, and in fact, my car is drivable. I drove home after that because of prayer over that. But it's a sign for you right now ... is to watch the Lord and He's going to allow you—. I got this word, "As you begin to stay humble and don't fight these battles that you, that you might think you should. Just pull back and you're going to see a time of transition and peace and safety."

Psalm 37:4–5 in The Passion [Translation], "Make God the utmost delight and pleasure of your life and He will provide you with what is the desires of your heart." And there's

another part of this, and I just want to say this again and there's—, because it's different translations, but Psalm 37:4, I'm going to say it again, because I felt that this is a couple of different versions for different people, but "Make God the utmost delight and pleasure of your life and He will provide for you what you desire the most." Verse five, "Give God the right to direct your life, and as you trust him along the way, you will find he pulled it off perfectly!" Now, that's a powerful, powerful time. I trusted the Lord on the way there, I was under massive warfare. I almost got in an accident. That was just part of the thing that was going on.

I was carrying a word back home. I had gone up to Santa Maria to spend time with the Lord overnight. I do that sometimes because I hear the Lord when I get outside of L.A. or sometimes, I hear the Lord right here. But I was coming home this week with this word and angels. And the Lord said, "I'm going to shift something." Stay at peace and give Him permission to operate in your life and watch things. But be sure not to—, use wisdom, you know. I used to say, "Lord, do anything and everything. I give You permission to do anything and everything." You know, and all hell breaks loose. But I say right now, "Hey, Lord, do what You need to do, but do it gently [chuckles] and speak in ways that I can hear You." So right now, use wisdom as you're doing that.

And also there's this thing of abundant blessing starting to flow. Here we go. Psalm 37:19, The Passion Translation, "Even in times of disaster, he will watch over them, and they will always have more than enough no matter what happens." This is it. You know, stay at peace no matter what the storm looks like. Stay at peace right now, especially what might be ahead. I tell you, as a prophet of the Lord, I'm telling you right now that this is not like a catastrophe, a disaster about to happen. It is not. But the Lord is saying to stay at peace. Stay at peace, and you're going to see a shift.

The Lord is bringing two types of blessings right now. One is provision, we've been under provision. Provision is ... you get the money to make the car payment or get food. Praise God, you know. I've actually had money appear out of the ground when I've

needed it. That's provision. The second is a release of financial blessing and favor. And He's going to do both of these right now. He's been providing provision for us. I've been walking through a deeper time of healing in my own life. I've been having to walk through things and, you know, get some help in areas and prayer. But the Lord has brought provision and in the middle of it ... there was one month He told me, He said, "Just as ... so I will." He said, "Just as I told you I'd do that, so I will complete this." He's going to give you a sign. Ask for a sign. Ask for a "just as." Just as the Lord gives you the sign, so He will. Just as I almost wrecked my car but got unscathed and just moved right on. So, He will bring this word about. Just sayin'. Just as—, He told me this. He said that I will get out of this lease I was in—our office lease—they put me in illegally till the end of the year. He told me to move out on a certain date, and just move out.

And once I did, I moved out on—, when the Lord told me and then they canceled the lease completely, even though I signed something else. That was weird. He said, "Just as, so I will." And so then He released a blessing. We needed \$50,000. He released \$50,000 into InLight Connection in June and July. We needed it. And the Lord says, "Just like we knew—." Or He said, "Just as, so I will do these things." So get ready. And it will be helpful if you ask specifically what you need, get clear on what you need right now. Make a list but get clear. You can make a list and start to narrow down how to focus on it. And also, consider praying with others. When you agree together, you will have greater authority and leverage in the spiritual realm.

"And here's a help in your troubles," the Lord said. Here we are, Psalm 37:39–40 in The Passion [Translation], "And the Lord will be the Savior of all who love him. Even in their time of trouble, God will live with them. Because of the faith in him, and in the daily portion will be a Father's help and deliverance from evil." He's doing something new. He is doing something new. And [wheww] the last part of that, "This is true for all who turn to hide themselves in him!"

Just stay in the Word. Stay away from the arguments right now. Stay out of the discouragement. Stay out of that. Get up out of those things. And you will see the wind of the Spirit hit you. And the Lord said this. He says, “I’m going to remove overwhelm. I’m removing panic, I’m removing stress, I’m removing the spirit of fear.” And have faith, trust the Lord. But you have to be patient right now because it’s going to take some time to work some things through. [For] some people it might be instant, but most of us will have a connect-the-dots experience over the next few months, particularly. You’ll know what to do, and then there’ll be a boost. And then another one and another one. Some will have them right away. But trust the Lord and He’s watching over you. He’s going to move in your situation.

And the light of the Lord is going to shine bright. Now I get this word every so often, Isaiah 60:1–2. And you know, I wouldn’t say it’s a cycle, but I do see certain verses come—, they kind of shift, they shuffle through. These verses come in, words come in, they shuffle through at different times and seasons. Isaiah 60 is one of them. So it’s Isaiah 60:1–2, Isaiah 60:11, Isaiah 60:22. Let me put these together here. “Arise, shine, for your light has come, and the glory of the Lord rises upon you. See, darkness covers the earth and thick darkness over the peoples, but the Lord rises upon you and His glory appears over you.”

Now, verse 11, if you put these together, I’m going to unpack this, what it means. But then verse 11, it’s amazing. Isaiah 60:11, He said, “Your gates will always stand open, and they will never be shut, day or night, so that people may bring the wealth of the nations—and their kings in triumphal possession.” Now, verse 22, I’m just going to read the last part of it. The Lord says, “I am the Lord ... and I will do this swiftly.”

Now watch for the Lord to move. Isaiah 60:1–2, the Lord is refreshing you. He’s going to release glory and His light is going to start to shine upon you. The glory just means that He’s—, that’s the provision, that’s the anointing, it’s the power. It will come in different ways. Doesn’t have to be like a big *dunamis* power. But He’s going to release

something over you that you know He's the Lord. He'll even refresh you. He's going to give you these things. The Lord is going to bring together the new glory and power to break you out of the dark night of the soul, to break you out of the wilderness, to break out [of] the clouds of obscurity. That's why I had to go somewhere else—go pray—because I couldn't hear the Lord. And once I did, I got the peace and clarity. Then the next—, you know, in Isaiah 11, He's talking about this more (Isaiah 60:11), that the need for the financial blessing right now. The Lord needs to open the gates of finances for provision.

New doors of opportunity are now opening up for the Holy Spirit to bring downloads, blueprints, strategies during the season. We need to get out of debt. We need to develop plans for ministries. We need businesses and blessing. We need the freedom to do what God calls us to do when He calls us to do it. How about that? And then the Lord says, "Watch, I'm going to do something. I'm going to reveal some things that you need. I'm going to free you up to move forward."

Now it's going to be, like I said, it's a connect-the-dots experience for most people, but others might have to work to get the plan. But there is momentum for the plan.

I saw these angels of mystery and revelation and administration coming, and I keep seeing them over and over. These angels from Ephesians 3:9—Ephesians 3:9 angels are here. They have sometimes—, mine is one big angel that has both of them, but they also have helper angels with them. They might be separate, but it's mysteries (which is revelation into your situation) and the administration. He's going to coach you—how to do it. And so, what that means is ... let's just say that you get an understanding that you had something that happened in the past. Then suddenly the administration of that word then would be, *Oh, what do I need to do to respond? Okay, I need to bring forgiveness.*

Or maybe you need to read a book or get some coaching in some area. That's the administration and the mysteries operating together right now. Ask the Lord for it because He's opening up the heavens over you financially.

This is probably one of the more powerful parts of this word for the month of August is Deuteronomy 28:12. He said, "I'm going to open up to you the good treasures, the heavens, to give you rain in your land and in its season and I will bless you and I will bless the work of your hand. And you shall lend to many nations and you shall borrow from none." Now, I love that. In fact, we have shifted into that, InLight Connection. We have tried our best over the last year.

We got out of debt. We broke the back of debt off of our ministry and off of us personally, so that now we put away money each month so that we can lend in people without wanting it back. So, we can give people money and then borrow from none. But now, right now, because we've walked through this time, we had money in the bank, I needed to take time off for healing. So, we actually became this word over us. We began to borrow from our own bank account instead of having to put it on a credit card.

You know what I'm saying? But the Lord's going to show you how to do this, to get some savings. And He's going to show you how to do it, even in a small place, how to get out of debt. He's just going to show you stuff.

So the storehouses on Earth have been empty because of the pandemic, because of the superstorms, fires, floods. But I tell you, the storehouses in Heaven are indeed full. The Lord has not forgotten us. He has not forgotten you. There's a release of financial ideas and blessings right now. You know, we need it right now. Many people are hurting. Don't be discouraged but reach out for help. You know, if you need help, find a food bank. Find people to pray with you. We're sorry ... I'm so sorry if you're suffering in that area. You know, we've had to walk through—, we're taking money out of our checking account right now instead of putting it in. But praise God, we have the provision.

God is going to release to you the financial plan. Isaiah 5:19 in The Passion [Translation], “Let the prophetic plan of the Holy One of Israel quickly come to pass so that we can see what it is!” “Let the prophetic plan of the Holy One of Israel come to pass so we could see what it is!” God wants to bless you. He wants you to be a blessing. And He wants to break off the ungodly beliefs about money, things that have been hidden, any ties of the spirit of Mammon, the idolatry, the spirits of this world.

There’s just stuff right now. He’s just breaking these things off right now. Jeremiah 29:11 needs to become your reality. “‘But I know the plans I have for you,’ says the Lord, ‘plans to prosper you and to not harm you, plans to give you a hope and a future. Then you’ll call out to me and pray, and I’ll answer you.’”

Lord, we release that over us. Set us up for blessing. Set us up for the blessing within Psalm 37:4, “Take delight in the Lord and he will give you the desires of your heart.”

God wants you to now put the jumper cables, hit clear. We’re going to try to charge this thing about Psalm 37:4. Charge it up. You know, the charging paddles. He wants to give you the desires of your heart once your heart becomes in line with the Lord. And that doesn’t mean that everything that you desire is the Lord. But once you get His heart, you’ll start knowing stuff. You’ll start to—, it’s time to start dreaming again, in other words, and make your list of what you need.

So Lord, we pray for this prophetic word. I feel as I’m standing giving this. I felt like every ... all the warfare I’ve been walking through or even people —, I see it just silenced. I hear silence as this word is being released. Sometimes I hear a wind blow when I’m ... (you know I’m a seer). Sometimes I hear a wind blow, but sometimes I see it. I hear ... I heard a gavel go down and the Lord saying, “I will do this and I’m going to do it

quickly. I'm going to do an Isaiah 60 verse one and two, verse 11 and verse 22, and I'm going to do it quickly and I will not destroy you. I will not harm you." It's important to see that, that what's happening right now is not the Lord causing harm, but He's going to give you provision and make a way like He did with me. He made a way through my accident. He made the way through everything. Right now, in Jesus' name.
